WHAT IS CYBERBULLYING

Cyberbullying is the activity of using the internet to harm or frighten another person, especially by sending them unpleasant messages.

HOW TO AVOID BEING CYBERBULLIED

·avoid posting personal data that can be used to blackmail;

·make sure your post can only be seen by friends;

·avoid using your real name or other ways someone could find you in real life;

·don't accept friend request from people who you don't know.

WHAT TO DO IF YOU SEE SOMEONE GET CYBERBULLIED

•talk to the bully to stop harassing the victim;

•help the victim change their privacy settings;

•talk to an adult or someone who can help with it;

•report the harmful posts or the account;

•call the authorities if the steps above have failed.
